SPEAKER

ANDREW LEWMAN
FARSIGHT SECURITY, INC.

Andrew Lewman is the Chief Revenue Officer for Farsight Security, Inc. Previously, Lewman served as SVP of Engineering at Norse Corporation, where he managed all aspects of engineering. Prior to Norse, he was the Executive Director and CEO of the Tor Project, a non-profit technology organization that provides online anonymity software tools used by over 2 million Internet users daily in more than 200 countries. Lewman grew Tor from a three-person organization to a company with more than 50 employees and contractors and over 6,000 volunteers in over 89 countries worldwide. Before the Tor Project, he served as VP of Engineering on the original startup team for online IT media firm, TechTarget. Lewman earned his B.S. from Framingham State University.
